

## Composition Assignment

Leading lines

Rule of thirds

Framing

Repetition

### OBJECTIVES:

To use: leading lines, framing, rule of thirds, and repetition to bring attention to the subject of your photograph.

### PROCEDURES:

Take a variety of photographs that illustrate: leading lines, framing, rule of thirds and repetition.

Create four Create four labeled 5in x 7in or 8in x 10in (horizontal or vertical) - native resolution (leave the file the resolution it is, leave the resolution box blank when using the crop tool) digital files. Name the file what it is an example of (example: leading lines.psd, framing.psd, rule of thirds.psd, and repetition.psd).

Create a folder in your "Photo" folder named "yourlastnamecomp". Put the 4 files in it. Also, save jpg versions and put them in a labeled gallery on your website.

### TURN IN:

Turn in 4 files: Example of leading lines, framing, rules or thirds, and repetition. Put them in a labeled gallery on your website.

### EVALUATION:

Did you follow the instructions? Is this your very best work? Are the pictures properly exposed and in focus? Are they straight? Do they have an interesting center of interest?
