

Skate Video Movie Montage

*Your assignment is to build a montage style video
from the clips provided.*

These are the requirements:

1. Video has a song as a music bed.
2. Video has a title.
3. Video uses rolling credits at the end.
4. Video begins with a fade and fades at the end.
5. Video changes film speed.
6. Video incorporates a flash animation.
7. Video uses chroma key to incorporate a flash image into the video.
8. Video uses freeze frame to stop an action at the high point of the action.
9. Video is able to modify screen position and zoom factor.
- 10 Video applies something original (maybe you blur a face or create a special effect).
- 11 Video has leader.
- 12 Appropriate opening clip.
- 13 Appropriate closing clip.
