

"Today the student becomes the teacher."

"What about?"

"Things you know you need to know."

You have been placed in groups of four. Each group will produce a Prezi about a financial concept or application that you need to know.

Later, as part of your class final, you will present these to the class.

In your Prezi, you may include one video to help explain your topic. Please make sure this video does not exceed two minutes.
