

**Henderson Bay High School  
Student Learning/Project Plan**

**Name:** \_\_\_\_\_

**Date Updated:** \_\_\_\_\_

**Learning Cycle:** \_\_\_\_\_

**Vision:** *Guiding Questions: What is the most awesome outcome you could hope for? What do you want people to say about your project?*

**Goals** *Identify goals that you want to meet in this project. Eventually you will have many but start with maybe three. The categories to draw from are: Personal Development, Social Reasoning, Communication, Emperical Reasoning and Quantitative Reasoning.*

**Project** *Describe your project, what materials do you need, what problems do you anticipate, what kind of research will you do, when do you expect to complete, what information are you tracking to make exhibition easy.*
